Every body needs a balance of nutritious foods and active living to achieve a healthy weight and prevent problems such as diabetes and heart disease. As a parent, you have the power to teach your children healthy habits that will last a lifetime.

Here are some simple steps that can bring big rewards for your entire family.

**Get moving**
- Aim for at least 60 minutes of activity a day.
- Escape the pull of the couch—get up and get moving.

**Pull the plug**
- Limit screen time (TV, computers, and video games) to 1 to 2 hours a day.
- Move the TV out of the bedroom.

**Eat smart**
- Aim for 5 to 9 servings of fruits and vegetables a day.
- Fuel up with breakfast every morning.

**Drink well**
- Choose water or non-fat milk.
- Limit soda, sports drinks, juice, and sweetened drinks—one can is equal to drinking a candy bar!
